CHICAGO GOURMETS IN HONG KONG

10-COURSE CANTONESE BANQUET DINNER
PAIRED WITH WINES

For us, a Chinese restaurant is a destination, a place to indulge in the culinary art that is more than 6000 years in the making. Meet the new Friendship Restaurant in Logan Square. It's more than a Chinese restaurant. It's a destination.

It takes a group of iconoclastic chefs and staff to bridge the integrity of millennia—the traditional and the contemporary Chinese culinary arts—into a Chinese cuisine that is 180° from the ordinary.

Do shape and form matter to the culinary arts? Absolutely! After all, presentation is like edible sculpture, inviting you to eat with your eyes and then with your palate. If you wish to say that this takes this culinary business very seriously, you may. Indeed, Chef Alan is!

Should you be feeling a bit sinful to be so relaxed and blissful? A little, perhaps. It seems that all the pleasures in life come with a little sin. *Oh well...*
