Gibsons Bar & Steakhouse embodies the big city dining experience with big flavor steaks and chops, fresh fish daily, and enormous lobster tails—all matched with an extensive wine list. An evening out at Gibsons will include a fun and happening atmosphere with light entertainment, large portions of great food, and uncompromising service.

Artesa is Napa's newest, most exciting winery. Their architecturally acclaimed facility opened as Codorniu Napa in 1991, dedicated solely to méthode champenoise sparkling wine production. Artesa (ahr-TESS-uh) means "craftsman" and connotes "handcrafted" in Catalan, language of Barcelona and owner, Codorníu, one of the world's largest and oldest wineries. Although Artesa is Napa's Newest, they are rich with heritage, with 15 centuries of winemaking.

Evian Natural Spring Water comes from streams of Évian-les-Bains, on the south shore of Lake Geneva. Evian natural spring water slowly travels through a unique natural filter of alpine rocks -the Evian aquifer- before emerging at the spring in Evian-les-Bains, which gives it its quality and purity. In fact this area is environmentally protected to ensure it's long-term quality and purity. **Evian will premier their "Sparkling Spring Water" at this event.**
