NOON LUNCHEON

Few understand the connection between family and food better than Carlyn Berghoff, a fourth-generation Chicago restaurateur, caterer, and mother of three. Hot on the heels of her highly successful first cookbook, Carlyn now shares a new collection of classic dishes from the café founded by her great-grandfather more than 110 years ago.

Today, Herman's great-granddaughter Carlyn puts her signature, "tradition with a twist" spin on many of the recipes in *The Berghoff Café Cookbook* – many of which date back to the Berghoff's menu from the early 1900s.

Carlyn Berghoff, CEO of the Berghoff Catering & Restaurant Group, is the fourth generation to continue the Berghoff legacy of serving excellent food and entertaining guests.

Nancy Ross Ryan also coauthored *The Berghoff Family Cookbook*. She is the founder of Fresh Food Writing in Chicago and specializes in food writing and recipe development.
